coming term and it will last, according to the decket, from April lots of bad ones down there! Carter hasn't enough docket to hardly make it worth the judge's time to

Farmington News.

Linn Clardy returned on Wednesday from Texas, where he has been showing Rath Birnie and Becky Brown, his fine saddle mares. They both Won prizes in every contest where entered. Rath Birnie received two firsts and one second, while Mo., an instructor in anatomy in Becky Brown took one first and the University of Missouti, has been two seconds. He expects to enter awarded the "Sarah Berliner Rethem in Kentucky fairs next.

the village of Bird's Point was al. only woman who ever received the most entirely destroyed by fire that degree of Doctor of Pholosophy started in the hotel and spread to from the University of Missonri. the adjoining store building until Her father, S. A. McGill, is a farmseven were burned, being all but er. Miss McGill entered the Unione in the village. The flames then versity in 1901. She has specialized destroyed over a dozen houses in the residence portion of the village, The loss will run up into the thousands, and very little insurance was

Farmington News.

Preparations are being made to start one of the four sections of the fine new 1600-ton lead mill of the Doe Run Lead company at Elvins within the next few days. Seven cars of ore were unloaded at the new mill yesterday. The first section will probably be put in operation early next week and the other sections just as rapidly as they can be gotten ready. This is one of the finest lead mills in the district.

A man giving his name as C. Boston Transcript.

Wilson was shot Tuesday night, March 29, at Marchonse, while attempting to vote a store | John Par ish, the clerk, and Dan Plen, the store manager, were asleep in the ing of creditors will be held in the building and were awakened by the noise of breaking glass and spring out of hed just in time to see the thief mading his entrance. Four brekshot from Pansh's gun struck; the introder in the face. Wilson claums Marshall, Ind., as his biome. and said he had an accompanie, who

more wheat will have to be slopped. It is not often you will observed to this county this year than ever man in this county leading a distered cattle for the market, but that is just what W. R. Caldwell one of our The Circuit court dacket in But- good practical farmers residing ler county shows 222 cases for the about I miles southeast of town, is doing. Mr Caidwellbegan Monday feeding forty five head of Aberdine 5 to May 28. My, but there must be Angeras and says that he will have them ready for shipment in about six or eight weeks. This country needs more registered cattle and it looks like a shame to ship them out. Farmers around Sikeston should buy up this bunch, most of which are young heifers, in small lots and keep them ... Sikeston Hornet, Well, Brother Cooksey, ain't that rather a ! new breed of cattle, too?

Dr. Caroline McGill, of Lebanon, search Fellowship for Women," Wednesday afternoon, March 31, worth \$1,200. Miss Mctill is the in biology, physiology, and anatomy, and was awarded the scholarship chiefly because of the excel- Logs, feet. lence of the research work she has done along these lines. The scholarship permits her to do research work at any university in this country or Europe, in chemistry, physics or biology.
